COIN PURSE PULL GUIDELINES & TIPS

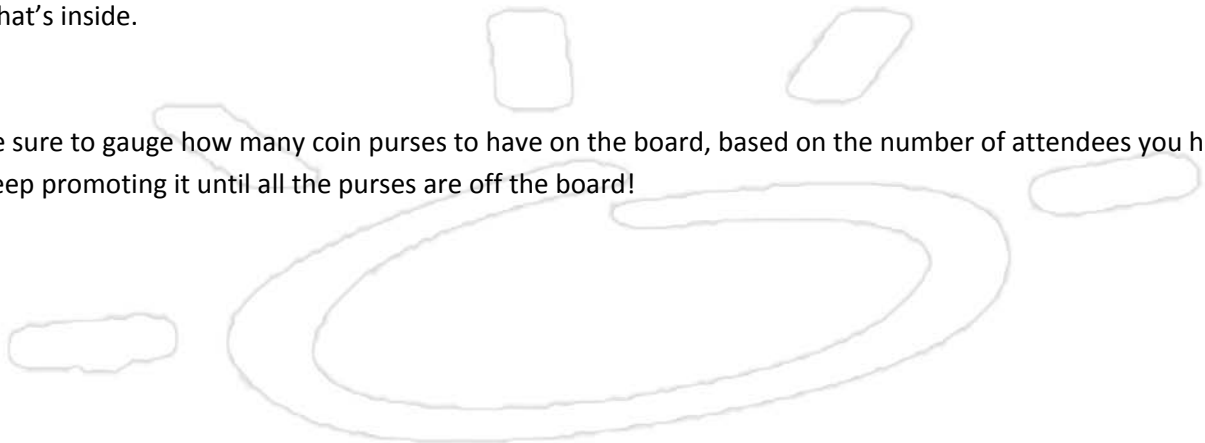

Much like the wine pull, the coin purse pull is great for getting your guests actively involved in your event. Solicit one of your local banks to sponsor this event, they are often generous to well attended community fundraising events!

HOW-TO:

1. A local bank sponsors this event by simply donating small coin purses with varying amounts of money in each coin purse.
2. Tape the coin purses to a display board. Participants have no idea how much is in any of the purses.
3. Charge a dollar amount for each chance and have the participant pull a coin purse off the board and they get what's inside.

TIPS:

- Be sure to gauge how many coin purses to have on the board, based on the number of attendees you have.
- Keep promoting it until all the purses are off the board!
