GUESS THE NUMBER GUIDELINES & TIPS

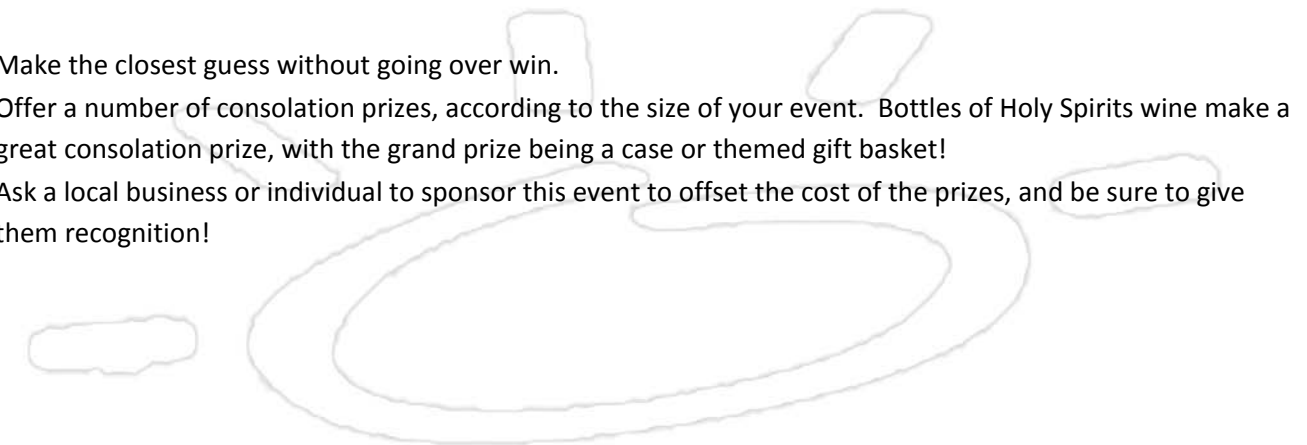

Guess the Number... an easy, ageless way to raise additional funds at your event.

HOW-TO:

1. Fill a see-through container with all identical items, such as golf tees, used golf balls, dog biscuits, candy, etc.
2. Charge a fee for your guests to “guess” the number of like items in the container. Have a sheet where participants write down their “guess”. Allow each participant to pay for and make as many guesses as they wish.
3. The participant with the exact or closest guess wins the grand prize. If there is a tie, flip a coin to determine the grand prize winner.

TIPS:

- Make the closest guess without going over win.
- Offer a number of consolation prizes, according to the size of your event. Bottles of Holy Spirits wine make a great consolation prize, with the grand prize being a case or themed gift basket!
- Ask a local business or individual to sponsor this event to offset the cost of the prizes, and be sure to give them recognition!

Bringing the Saints marching home while raising money for local charities and young adults with cancer and other life threatening diseases.
